c) "the Order" means any request by the Purchaser for the provision of good or services from the Company
d) "the Price" means the price for the goods and /or services set out in the Order or as confirmed by the Company in writing and where appropriate to include any transportation costs and discounts for a Trade Credit Account but excluding VAT.
e) "Trade Credit Account" ad defined in clause 2 below.
f) These terms are effective upon the Purchaser placing an Order and apply to all dealings between the Company and the Purchaser to the exclusion of all other terms, representations and agreements unless in writing and signed by both parties.
g) The Company may, for any reason, refuse to accept any Order or cancel any Order prior to payment of the Price in full or prior to delivery. The Company accepts no liability for any costs, claims, expenses or other losses the Purchaser may incur as a result of a rejection or cancellation of any Order at any time.
h) Upon acceptance of an Order, the Company will confirm the Price and any other terms applicable to the Order.

2. TRADE CREDIT ACCOUNTS

a) The Company may, upon a written request by the Purchaser, offer the Purchaser a Trade Credit Account.
b) A Trade Credit Account will entitle the Purchaser to purchase goods and/or services on credit from the Company subject to the trade terms applied by the Company and as amended from time to time.
c) A Trade Credit Account may entitle the Purchaser to credit and a discount of the Price, such amounts to be determined by the Company and subject to the Purchaser providing suitable documentation as requested by the Company as well as security and at all time complying with these terms.
d) The Company may at any time withdraw any Trade Credit Account for any reason or amend any terms of it.

3. TERMS OF PAYMENT

a) The Purchaser must pay the Price and any other costs set out in the Order or advised to the Purchaser by the Company whether in writing or otherwise in accordance with these terms.
b) Unless stated otherwise, the Price shall reflect the Company's current price list, a copy of which is available upon request.
c) The Price shall be valid for 30 days from the date the Company confirms the Order. If the Price has not been paid in full within such time, the Order shall be automatically cancelled.
d) Value Added Tax will be charged at the rate current at the date of dispatch of the Order
e) Unless otherwise stated the Price must be paid:

　　　　(i) within 30 days from the date of the invoice;

　　　　(ii) without any deduction or deferment due to disputes, cross-claims or any other circumstances;

　　　　(iii) in advance (in whole or in part) of delivery of an Order if requested by the Company;

f) Interest will be charged from the date the Price is to be paid until payment in full at the rate of 8% per annum.
g) If the Purchaser is a company, the person signing the Order warrants and represents that he or she is a director of the company or otherwise authorised by the company to place the Order subject to these terms and hereby personally guarantees the performance of the Purchaser's obligations hereunder.

4. RETENTION OF TITLE

a) The Company shall retain legal and beneficial title to all goods supplied to and in the possession of the Purchaser, it's Agent or associated company and thus title to the same shall not pass to the Purchaser until payment in full of the Price and all other monies owe by the Purchaser to the Company.
b) Until payment of the Price the Purchaser shall keep the goods separate from any other goods and shall not amalgamate or merge such goods with any other goods or components or sell the goods onwards. Providing the goods can physically be separated from any other components, the Purchaser will use all best endeavors to separate the goods if requested by the Company.
c) Without limitation of its rights, the Company may enter the Purchasers premises or any other premises where the goods are stored or used and at the Purchasers costs recover and take back any goods forming part of an Order in respect of which the Price has not been paid.
d) The Purchaser shall provide all and any information to the Company to enable the Company to enforce its rights under this agreement to include full details of the location of any goods subject to this clause.
e) If the Purchaser sells any goods before the Price for such goods has been paid in full, the Purchaser shall hold the sale proceeds on trust for the Company and will account to the Company for any money received by it from such sale.
